PLEASE NOTE

Your **team email address** has to be valid until the end of the competition for the Europan structures to be able to stay in contact with you.

The **Team Representative** must be an architect with a qualification from a European country or must have the architect status under the laws of a European country. He/she must hold a university degree or equivalent from a European university or school of architecture recognized by Europe. In specific cases (see synthetic site file), the team representative can be an architecture, urban or landscape professional (architect, landscaper, urban planner, architect-engineer) with a qualification from a European country. In this case the team shall necessarily include at least one architect among the associates.
The team representative is the sole contact with the national and European secretariats.

The **Associates** are considered to be co-authors of the project and are credited as such in all national and European
